

28th February 2018

Dear Parent/Carer

Due to the snow fall unfortunately the school site has become unsafe and despite our best efforts we have been forced to close the school from 12:20pm Wednesday 28th February 2018.

We have asked students, who cannot reach home or a place of safety to remain in school to be supervised until 3:00 pm.

At this point the school will be open tomorrow morning as usual.

In the event of the school closing due to bad weather, please check the following places for announcements:

- The Garibaldi School website (www.garibaldi.org.uk)
- BBC Radio Nottingham website (www.bbc.co.uk/nottingham)
- Twitter (@GaribaldiCol)
- Radio Mansfield
- Message on the normal school switchboard (01623 464220)

As you know we endeavour to keep the school open and will normally only close due to Health & Safety reasons.

Thank you for your support in this matter and we are sorry for any inconvenience this may have caused you but our primary concern, we have to consider, is the health and safety of the school community.

Yours faithfully

R Hawley
