

2nd April 2019

Dear Parent/carer

Re: Maths – Easter Revision

In order to help support our year 11 students with their revision over the Easter break, two sets of GCSE papers have been emailed to all students (on their school email). I would be grateful if you could remind your child to complete one set of three papers per week.

The associated mark schemes have also been emailed to students so that on completion of the papers they can see how well they have done. I have also sent a final attachment, which is a link to 'Corbett Maths' 'Common Topics Checklist', which contains links to video tutorials to further help them understand any questions they may have answered incorrectly.

All of these resources will also be available to download from the school website on Thursday 3rd April.

Yours faithfully

J Walker
