**The Garibaldi School Homework Scheme - Half Term 3
Year 11 Homework Schedule Content Continued**

Subject	Homework Description:	Time Taken:	Date Set W/C:	Hand in W/C:
Art & Design	<p>The Great Outdoors</p> <p>Students need to produce three Evaluations – Teaching & Learning Panel, Tree of life and Mini- beast sculpture,</p> <p>*A work sheet will be given out to support this in lesson.</p> <p>Each evaluation should be on separate pieces of A4 paper.</p> <p>In order to score high marks in your evaluation you need to answer the questions in an essay style. The more you write and the more specialist terms you use the higher your mark will become. You must also include notes about potentials and limitations of all of the materials used and Health & Safety.</p> <p>Remember these are extremely important documents, done well they can push your final grading to Distinction.</p>	6 hours	08/01/2018	12/02/2018
Science	<p>Year 11 are coming to the end of their Science course. To help them with their revision students will be given revision sheets based on content they need to revise as a result of their recent mocks.</p> <p>When complete they will then use this to answer exam questions on these topics.</p>	6 hours	08/01/2018	12/02/2018
Resistant Materials	<p>Student will be given a mock Section A of the exam where they will be expected to research the theme for the question. Half way through the half term, students will be given the exam question to answer using the research gained.</p> <p>Students' research will be gone through in lesson, time and feedback will be provided prior to the release of the exam style question.</p>	6 hours	08/01/2018	12/02/2018
Business Studies	<p>Students are working to complete their final Unit of coursework and are therefore expected to spend an additional 6 hours of study to maximise their Grade.</p>	6 hours	08/01/2018	16/02/2018

**The Garibaldi School Homework Scheme - Half Term 3
Year 11 Homework Schedule Content Continued**

Subject	Homework Description:	Time Taken:	Date Set W/C:	Hand in W/C:
Computing	<p>Revision Cards</p> <p>This homework schedule is designed to support both the Exam and NEA elements of the course.</p> <p>In preparation for the final exam you are to create a minimum of 15 revision cards (12 minutes per card – 3 hours total). The cards must meet the following requirements:</p> <ul style="list-style-type: none"> • Be A6 in size (use cards available from Mr Chatten's room) • On the front in a clear colour have a title/concept to be covered (linked to syllabus RAG) • Underneath this a clear text book definition with examples/diagrams if necessary • Along the bottom of the front an exam question linked to this concept should be listed (more than one is better) • On the back you should write the text book response to the question(s) from the front of the card. <p>To make these cards effective you should use a range of colours and if possible icons, imagery to help remembering these concepts. After half term all revision card resources will be checked.</p> <p>In support of your NEA assessment you are to spend time practicing and preparing for this difficult piece of work. Activities can include:</p> <ul style="list-style-type: none"> • Coding practice in Python (bingo mock and other exercises) • Reading up on administrating the project • Revising concepts like flowchart creation, test plans and writing effective pseudocode. <p>You should allocate no less than 3 hours to this preparation.</p>	6 hours	08/01/2018	12/02/2018
